II.2.3) **Place of performance**

NUTS code: UK UNITED KINGDOM

II.2.4) **Description of the procurement:**

The meter, billing and interface equipment framework is being procured covering a range of services and will be accessible by other public bodies or private entities throughout the UK.

The service will focus on providing monthly heat billing, with elements of electricity and cold water metering. Credit billing will need to be undertaken in conjunction with the Data Service comprising the collection and validation of meter readings and consumption data.

The service provider will also be expected to provide a management service that allows the client access to view information on all residential accounts.

The service provider will be required to provide planned and responsive maintenance for the installed metering and billing equipment i.e.the meters, AMR, telecoms, data collection systems, software, etc.

II.2.5) **Award criteria**

Quality criterion - Name: Quality / Weighting: 60

Price - Weighting: 40

II.2.11) **Information about options**

Options: no

II.2.13) **Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no
